# Tadrai Island Resort, Fiji

**Life** STYLE  
HOLIDAYS

Created especially for couples to savour the peace and tranquility of a stunning palm-fringed cove and four private beaches, Tadrai Island Resort. Not only is this sanctuary Fiji's newest 5 star resort, it is also the first all inclusive, luxury, adults only retreat in the whole of the Mamanuca Island Group.

With just 5 deluxe villa's, exclusivity and the ultimate in individual service is guaranteed. Each villa is beachfront, elegantly designed in Fijian style and complete with its own private plunge pool. Attended by your personal butler throughout your stay, you can be assured your every need will be met. Private in-room dining and secluded picnics can be arranged, although the shared dining experience of eating in the signature restaurant, with the freshest ingredients, particularly local seafood, is not to be missed.

For those days when you want to do more than stroll along the beautiful shoreline or swim in the pool, there is a variety of activities and excursions available.
