## Minaret Station Alpine Lodge

MINARET STATION

### We are all adjusting to a new normal. What is normal?

A different type of travel than what we perhaps had planned, maybe even a different destination. But aren't we so fortunate to still be able to travel in some way. Firstly Kiwis, then soon our Australian neighbours and eventually we look forward to welcoming back guests from all around the world.

Our special rates have been designed for you to enjoy the opportunity to stay at Minaret Station at a reduced rate, with the added motivation of the more people you bring with you, the more attractive the rate becomes. We are still small and intimate, with just four chalets and plenty of wide-open space. What better time to share this special place with family, friends or colleagues.

An escape to one of the world's most unique luxury lodges in our own backyard, that you will never forget.
