BARCELONA, PROVENCE & BEYOND

The Private Travel Company is proud to partner with **Travel with Lesley Whyte** and **AmaWaterways** to offer this exclusive women-only journey, thoughtfully hosted by our own Cindy Bakewell.

16 – 26 August 2027
One unforgettable experience.

This is not simply another river cruise.

This **women-only river cruise** is carefully curated for women who love exceptional travel experiences, authentic connections, beautiful destinations, fabulous food and wine, and travelling with like-minded women.

Your journey begins with **three nights in vibrant Barcelona**, before boarding your **Premium AmaWaterways river ship** and cruising through the heart of Provence and the magnificent Rhône Valley.

From the Roman streets of Arles and the medieval charm of Avignon to vineyard-covered hillsides, bustling markets and the culinary delights of Lyon, every day has been thoughtfully designed to deliver a truly memorable experience.

A Genuine Women-Only Cruise

Let's be clear... **Every single passenger onboard this departure will be a woman.**

This isn't a designated women's group within a larger mixed cruise.

Whether you're travelling independently or with a friend, you'll be surrounded by adventurous, fun-loving women who share a passion for travel, connection and discovering the world together.

And if you're travelling solo, you'll be in very good company.

Not a Standard AmaWaterways Cruise

Rather than simply offering a standard Rhône River itinerary, we've worked together to create something far more immersive and memorable. Many of the experiences included on this journey are **exclusive to this departure and are not available on AmaWaterways' regular cruises.**

Expect boutique experiences, special celebrations, curated food and wine moments and plenty of surprises along the way.

A few highlights include:

-  Miraval Champagne Breakfast
-  Lavender Gin Tasting
-  Whispering Angel Rosé Sundeck Party
-  Châteauneuf-du-Pape Wine Experiences
-  Red Wine & Chocolate Pairing
-  Truffle Farm Visit
-  Van Gogh Heritage Experiences
-  Guided cycling options
-  Local markets and culinary experiences
- 

...and so much more.

Boutique Hosting Throughout

Guests who book through **The Private Travel Company** will enjoy an exclusive hosted experience throughout the journey, **led by our very own Cindy Bakewell**, who will be your dedicated host for this very special women-only cruise.

With her warm, welcoming nature and passion for bringing people together, Cindy will help create a relaxed and friendly atmosphere from beginning to end, providing opportunities for new friendships, shared experiences and plenty of laughter along the way. Whether you're travelling independently or with friends, Cindy will be there to ensure everyone feels included, connected and part of a truly boutique travel experience as you explore Barcelona, Provence and the Rhône Valley together.

Secured Staterooms

Choose from a range of accommodation options:

- ✨ Fixed Window Cabins
- ✨ French Balcony Cabins
- ✨ Twin Balcony Cabins
- ✨ Beautiful Suites

There is something to suit every travel style and budget.

The best part? We are holding cabins, including the suites for solo occupancy but numbers for these cabins are limited. That's right... even if you're travelling on your own, you can choose whichever cabin category best suits you.

Why You Should Book Early

We genuinely expect this cruise to be extremely popular.

Today, this opportunity is available exclusively to you.

However, this cruise will soon become available to travel agents throughout **New Zealand, Australia and Europe**, and we anticipate demand will increase significantly.

If this experience speaks to you, we strongly encourage you to secure your preferred cabin soon to avoid disappointment.
